

THE FUTURE OF LEARNING

Update 1-10-19

Flexible Spaces

Educators and principals are reviewing innovative spaces and classrooms that are flexible and adaptable for learning in the years to come.

Quote

"Exploring the future of learning today is an act of stewardship to our future communities and to the young people who will live in them."

– Knowledge Works Report, November 2018 –

Next Steps

- Our online Community Survey on the Guiding Principles is open until Saturday, Jan. 12. Take our survey at pcschools.us.
- Stay informed throughout the education master planning process via our website PCfutureoflearning.com.
