

THE FUTURE OF LEARNING

Update 5-23-19

Deliverables

These are the documents GSBS will deliver to the district as the products of the educational master plan.

Survey Findings

- 68.6%: preschool/early learning students housed in their neighborhood elementary schools
- 51%: K-5 grades in elementary school and 6-8 grades in middle school
- 84.9%: 9th grade at the high school
- 54.1%: Grades 9-12 at one high school in current location
- 2.68: Did overall cost influence your decision (scale of 1-5)
- 87.6%: Respondents were parents

Stay Engaged

The GSBS presentation given to the Board of Education on Tuesday, May 21, can be viewed by clicking [here](#).

Next Steps

June 4

The board will discuss its next steps and critical priorities during a work session.

June 18

The board will make recommendations concerning moving the process forward at its regular board meeting.
